FACTORY THROWOUTS

NO 611

The secret of these smooth tasting and flavorful Luis Martinez No. 611 Factory Throwouts cigars is the wrapper leaf. This is the same wrapper leaf used on famous imported cigars, which sell in finer smokeshops around the world for $8 to $10 each. Rolled into this select blend of specially aged Dominican tobaccos. The reason these factory brands are so reasonably priced is that the wrapper tobacco is slightly off-color and purchased at a lower cost, allowing us to pass the unbelievable savings on to you!

LUIS MARTINEZ®

SILVER SELECTION

INTERNATIONAL BEST SELLER

The Luis Martinez Silver Selection is a cigar born from jet black, mineral rich soil of Central America. It is the careful blending of the tobaccos from this region that give this cigar its medium body and smooth, full flavor. We combined the flavors of Central American filler, a Honduran Cuban-seed binder and an Ecuadorian Sungrown wrapper to create an exceptional cigar. Try the handmade Luis Martinez Silver Selection for yourself, and taste why they have earned the right to be considered one of our most prized possessions.
